Sir:

NOTICE OF ERRONEOUS DETERMINATION OF PATENT TERM ADJUSTMENT

Applicants believe that the Determination of Patent Term Adjustment of 59 days, forwarded with the Notice of Allowance dated December 8, 2003 for the referenced Application, is in error. Applicants believe that the Patent Term should be zero based on the 59 days in PTO delays versus the 59 days calculated for a 2-month extension of time penalty.

If Applicant's calculations are correct, please correct the Patent Office records to show the zero adjustment and send us confirmation of same.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
